

Shawn Mendes - Air (feat. Astrid)

Tom: **C**

Verse:

Never thought that we would end up here
We should've known it from the start
I know you mean it when you say you love me
But we trying way too hard

Used to think that we would last forever
How could I've been so wrong
Never thought that I'd be the one to say this
But if our time has come and gone

Chorus:

C **D**
You, you don't mean no harm

F

C
But you're stringing me along and I don't have the time to spare

C **D**
And I, I'm trying hard to breath

F
But you're suffocating me

C
This time I'm coming up for air

Eh, eh, eh, eh, eh, air
Reh, eh, eh eh, eh, eh, air

Always tryna put your two cents in
Then expecting me to change
Tryna fix me up but I'm not broken
All you do is leave me stained

Told you not to tell me that too quickly
Take it slow it's not a race

And you keep on tryna reel me in, but
All I really need is space

Chorus:

C **D**
You, you don't mean no harm

F **C**
But you're stringing me along and I don't have the time to spare

C **D**
And I, I'm trying hard to breath

F
But you're suffocating me

C
I'm coming up for air

Bridge:

Tried to hold me down but I'm surfacing
Time to let me go but I gotta leave

Chorus x2:

C **D** **F**
You, you don't mean no harm

C
But you're stringing me along and I don't have the time to spare

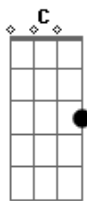

C **D**
And I, I'm trying hard to breath

F
But you're suffocating me

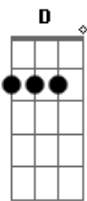

C
This time I'm coming up for air

Eh, eh, eh, eh, eh, air
Reh, eh, eh eh, eh, eh, air
Eh, eh, eh, eh, eh, air
Reh, eh, eh eh, eh, eh, air
