tom:
Capostrate na 1ª casa
Intro: D C

[Primeira Parte]

Full of words I don't know how to say
And without a little twist of fate
I know I'd still be searching, baby
I swear that you've been sent to save me
You're the only one that my heart keeps coming back to

[Refrão]

[Segunda Parte]

And you've seen all my darkest fears

Like you've known me for a thousand years
The boy who's really underneath
All the scars and insecurities, baby
I swear that you've been sent to save me
You're the only one that my heart keeps coming back to

[Refrão]

You're the only one that my heart keeps coming back to

(A D Dm)
