

# Shawn Mendes - Bad Reputation

Tom: D

(com acordes na forma de Capostrate na 2ª casa C)

She got a bad reputation  
 She takes the long way home  
 And all of my friends've seen her naked  
 Or so the story goes  
 Mistakes we all make them  
 But they won't let it go, no  
 Cause she's got a bad reputation  
 But I know what they don't, no  
 I don't care what they say about you, baby  
 They don't know what you've been through  
 Trust me I could be the one to treat you like a lady  
 Let me see what's underneath  
 All I need is you  
 She got a bad reputation  
 Nobody gets too close  
 A sight of a soul when it's breaking  
 Making my heart grow cold  
 And into the deeper she's sinking  
 I'm begging her please don't let go  
 She's got a bad reputation  
 But she's all that  
 All I want though, hmm yeah  
 I don't care what they say about you, baby

They don't know what you've been through  
 Trust me I could be the one to treat you like a lady  
 Let me see what's underneath  
 All I need is you  
 Ah, ah, ah, ooh  
 Ah, ah, ah, ooh  
 Nobody knows the way that I, I know her  
 Said nobody knows the weight that's on her shoulders  
 Said nobody knows the way that I, I know her  
 Said she got a bad, she got a bad  
 Nobody knows the way that I, I know her  
 Said nobody knows the weight that's on her shoulders  
 Said nobody knows the way that I, I know her  
 Said she got a bad, she got a bad  
 And I don't care what they say about you, baby  
 They don't know what you've been through  
 Trust me I could be the one to treat you like a lady  
 Let me see what's underneath,  
 All I need is you  
 I don't care what they say about you, baby  
 They don't know what you've been through  
 Trust me I could be the one to treat you like a lady  
 Let me see what's underneath  
 All I need is you  
 She got a bad reputation  
 She takes the long way home
