

# Shawn Mendes - Bring It Back

Tom: A

(com acordes na forma de  
Capotraste na 2ª casa G )  
Am C D Em  
Taking it slow isn't easy if as far as you go  
Is only half as far as you and I both know, yeah  
Coming up from above, a little something  
And it's only because  
I don't ever wanna see you in love but I know  
(Am C D Em )  
That you've been coming off strong lately  
And I can feel it that  
You've been thinking that maybe you got  
Another shot at me  
Thinking possibly somehow, but not now  
And it's been spinning around like a hurricane  
And the sound of the thunder  
That's beating my head to the ground  
But I, I know

Am C D  
That I can't go back to this, to her  
Em Am C D  
To what we used to have, it's black and burnt  
Em Am C D  
My God this is so sad, it'll only make things worse  
Em Am C D Em  
If we bring it back  
Am C D Em  
Hmm, yeah...

Am C  
And I mean if you believe  
D Em  
That there is something still between you and me  
Am C Em  
Then baby honestly yeah, you're not the one for me

Am C D  
And I can't go back to this, to her  
Em Am C D  
To what we used to have, it's black and burnt  
Em Am C D  
My God this is so sad, it'll only make things worse  
Em Am C D Em  
If we bring it back  
(Am C D Em )  
If we bring it back  
If we bring it back, no  
If we bring it back, oh  
If we bring it back  
If we bring it back
