

# Shawn Mendes - Bring It Back

Tom: A

(com acordes na forma de  
Capotraste na 2ª casa G )

Am C D Em  
Taking it slow isn't easy if as far as you go

Am C D Em  
Is only half as far as you and I both know, yeah

Am C D Em  
Coming up from above, a little something

Am C D Em  
And it's only because

Am C D Em  
I don't ever wanna see you in love but I know

(Am C D Em )  
That you've been coming off strong lately

And I can feel it that

You've been thinking that maybe you got

Another shot at me

Thinking possibly somehow, but not now

And it's been spinning around like a hurricane

And the sound of the thunder

That's beating my head to the ground

E  
But I, I know

Am C D  
That I can't go back to this, to her

Em Am C D  
To what we used to have, it's black and burnt

Em Am C D  
My God this is so sad, it'll only make things worse

Em Am C D Em  
If we bring it back

Am C D Em  
Hmm, yeah...

Am C  
And I mean if you believe

D Em  
That there is something still between you and me

Am C Em  
Then baby honestly yeah, you're not the one for me

Am C D  
And I can't go back to this, to her

Em Am C D  
To what we used to have, it's black and burnt

Em Am C D  
My God this is so sad, it'll only make things worse

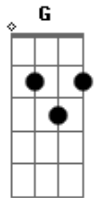

Em Am C D Em  
If we bring it back

(Am C D Em )  
If we bring it back  
If we bring it back, no  
If we bring it back, oh  
If we bring it back  
If we bring it back
