

# Shawn Mendes - Fallin' All In You

Tom: **Ab**

[Primeira Parte]

**Ab**  
 Sunrise with you on my chest  
**Ab**  
 No blinds in the place where I live  
**Fm**  
 Daybreak open your eyes  
**Fm**  
 'Cause this was only ever meant to be for one night  
**Db**  
 Still, we're changing our minds here  
**Eb**  
 Be yours, be my dear  
**Ab**  
 So close with you on my lips  
**Ab**  
 Touch noses, feeling your breath  
**Fm**  
 Push your heart and pull away, yeah  
**Fm**  
 Be my summer in a winter day love  
**Db**  
 I can't see one thing wrong  
**Eb**  
 Between the both of us  
**Ab**  
 Be mine, be mine, yeah  
**Ab**  
 Anytime, anytime

[Pré-Refrão]

**Fm** **Db** **Ab** **Eb**  
 Ooh you know I've been alone for quite a while, haven't I  
**Eb** **Fm**  
 I thought I knew it all  
**Db**  
 Found love but I was wrong  
**Ab**  
 More times than enough  
**Eb**  
 But since you came along

I'm thinking baby

[Refrão]

**Ab** **Fm**  
 You are bringing out a different kind of me  
**Fm** **Db** **Eb**  
 There's no safety net that's underneath, I'm free  
**Eb**  
 Falling all in  
**Ab** **Fm**  
 You fell for men who weren't how they appear  
**Db** **Eb**  
 Trapped up on a tightrope now we're here, we're free  
**Ab**  
 Falling all in you

[Segunda Parte]

**Ab**  
 Fast forward a couple years, yeah  
**Ab**  
 Grown up in the place that we live  
**Fm**

Make love, then we fight  
**Fm**  
 Laugh 'cause it was only meant to be for one night baby  
**Db**  
 I guess we can't control  
**Eb**  
 What's just not up to us  
**Ab**  
 Be mine, be mine, yeah  
 Anytime, anytime

[Pré-Refrão]

**Ab** **Fm**  
 Every time I see you baby I get lost  
**Db** **Ab**  
 If I'm dreaming, baby, please don't wake me up  
**Eb** **Fm**  
 Every night I'm with you I fall more in love  
**Db**  
 Now I'm laying by your side  
**Ab** **Eb**  
 Everything feels right since you came along  
 I'm thinking baby

[Refrão]
