

Shawn Mendes - Fallin' All In You

Tom: G
Intro:

G
Sunrise with you on my chest
Em
No blinds in the place where I live
Daybreak open your eyes
'Cause this was only ever meant to be for one night
C D
Still, we're changing our minds here
G
Be yours, be my dear

So close with you on my lips
Em
Touch noses, feeling your breath
Push your heart and pull away, yeah
C
Be my summer in a winter day love
D
I can't see one thing wrong
G
Between the both of us
Be mine, be mine, yeah
Anytime, anytime
Em C G D
Ooh you know I've been alone for quite a while, haven't I
Em
I thought I knew it all
C
Found love but I was wrong
G
More times than enough
D
But since you came along
I'm thinking baby
G Em
You are bringing out a different kind of me
C D
There's no safety net that's underneath, I'm free
G
Falling all in
Em
You fell for men who weren't how they appear
C D
Trapped up on a tightrope now we're here, we're free
G
Falling all in you
G
Fast forward a couple years, yeah

Em
Grown up in the place that we live
Make love, then we fight
C
Laugh 'cause it was only meant to be for one night baby
D
I guess we can't control
G
What's just not up to us
Be mine, be mine, yeah
Anytime, anytime
Em C G D
Ooh you know I've been alone for quite a while, haven't I
Em
I thought I knew it all
C
Found love but I was wrong
G
More times than enough
D
But since you came along
I'm thinking baby
G Em
You are bringing out a different kind of me
C D
There's no safety net that's underneath, I'm free
G
Falling all in
Em
You fell for men who weren't how they appear
C D
Trapped up on a tightrope now we're here, we're free
G
Falling all in you
Em
Every time I see you baby I get lost
C G
If I'm dreaming, baby, please don't wake me up
D Em
Every night I'm with you I fall more in love
C
Now I'm laying by your side
D
Everything feels right since you came along
I'm thinking baby
G Em
You (Yeah) are bringing out a different kind of me
C D
There's no safety net that's underneath, I'm free
G
Falling all in
Em
You fell for men who weren't how they appear (Ooh)
C D
Trapped up on a tightrope now we're here, we're free
