

Shawn Mendes - Heart Of Gold

tom:

Intro: Am C G D

[Primeira Parte]

Am Honestly, it's been a while since I thought of you

In the end we didn't talk much

I didn't know what you were going through

I'm sorry that I wasn't there

To hug your mama at the funeral

Brian said he broke down

But he promised it was beautiful

[Pré-Refrão]

Am And when we were young, we didn't care

G We shot for the stars, I'll see you up there

[Refrão]

You had a heart of gold, yeah

You had a heart of gold

You left too soon, it was out of your control

Underneath your skin and bone

You had a heart of gold

[Segunda Parte]

Am I didn't cry

Acordes

I didn't even feel the pain

But then it hit me all at once

When we talked about you yesterday

[Pré-Refrão]

Am When we were young (When we were young)

We didn't care (We didn't care)

We shot for the stars (We shot for the stars)

I see you up there

[Refrão]

You had a heart of gold, yeah

You had a heart of gold

You left too soon, it was out of your control

Underneath your skin and bone

You had a heart of gold

[Final]

Am And when we were young, we didn't care

We shot for the stars, I'll see you up there

You had a heart of gold

Am And when we were young, we didn't care

We shot for the stars, I'll see you up there

You had a heart of gold
