

Shawn Mendes - If The World Was Ending

tom:
D
I was distracted
And in traffic
Em
I didn't feel it
When the earthquake happened
G
But it really got me thinkin'
Were you out drinkin'?
A
Were you in the living room
Chillin' watchin' television?
D
It's been a year now
Think I've figured out how
Bm
How to let you go and let communication die out

[Pre-Chorus]
Bm A D
I know, you know, we know
D G
You weren't down for forever and it's fine
Bm A D
I know, you know, we know
D G
We weren't meant for each other and it's fine

[Chorus]
But if the world was ending
G
You'd come over, right?
A
You'd come over and you'd stay the night
D
Would you love me for the hell of it?
Bm
All our fears would be irrelevant
If the world was ending
G
You'd come over, right?
A
The sky'd be falling and I'd hold you tight
D
And there wouldn't be a reason why
Bm
We would even have to say goodbye
D
If the world was ending
G
You'd come over, right?
A
Right?
If the world was ending
D
You'd come over, right?
Bm A
Right?

[Verse 2]
D
I tried to imagine
Your reaction
Em
It didn't scare me when the earthquake happened
Em G
But it really got me thinkin'
That night we went drinkin'
A
Stumbled in the house
And didn't make it past the kitchen
D
Ah, it's been a year now
Think I've figured out how
Bm
How to think about you without it rippin' my heart out

[Pre-Chorus]
Bm A D
I know, you know, we know
D G
You weren't down for forever and it's fine
Bm A D
I know, you know, we know
D G
We weren't meant for each other and it's fine
