Oh, there she goes ^{Am} again, every morning is the same, ^F
 You walk on by my house, ^C I wanna ^G call out your name.
^{Am} I wanna tell you how beautiful you are from where I'm ^F standing, ^C
 You got me thinking what we could be 'cause ^G

^{Am} I keep craving, craving you,
^F Don't know it but it's true,
^C I can't give my mouth to say the words they wanna say to you. ^G
^{Am} This is typical of love, ^F
^G Can't wait anymore, won't wait a minute tell ya how I feel
 when I see us together forever. ^C

^C In my dreams, you're with me, ^G
^{Am} And we'll be everything I want us to be. ^G
^C And from there, who knows, ^G
^{Am} Maybe this will be the night that we kiss,
 For the first time. ^G
^C Or is that just me in my imagination. ^G

^{Am} We walked, we laughed, we spent our time, walking by the ocean
 side, ^F
^C My hands are jelly intertwined, a feeling I just can't
 describe. ^G

 To something so damn beautiful, so damn beautiful. ^G ^{Am}
