Shawn Mendes - Intro

```
                        tom:
                    D

      D           D
 You have a million different faces
D7                          G
 But they'll never understand
```
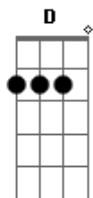

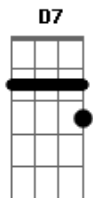

```
Gm                      D
 Unless you let them in
                        D
You've been a million different places
D7                      G
 So give yourself a chance to
Gm                  D
 Get lost in wonderland
```
