G7
I saw you on a Sunday in a cafe
And all you did was look my way
F
And my heart started to race
G7
And my hands started to shake, yeah
I heard you asked about me through a friend
And my adrenaline kicked in

F
'Cause I've been asking 'bout you too
G7

And now we're out here in this room

[Refrão]

You told me to come inside, caught me staring in your eyes

And I'm not usually like this

G7
But I like what you're doing to me, ah, what you're doing to me
