I promise that one day I'll be around  
I'll keep you safe, I'll keep you sound  
Right now it's pretty crazy  
And I don't know how to stop or slow it down  
Hey, I know there are some things we need to talk about  
And I can't stay. So let me hold you for a little longer now

Take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone

( **Em** **C** **G** )  
( **Em** **C** **G** )

You'll never be alone  
When you miss me close your eyes  
I may be far but never gone  
When you fall sleep tonight just remember that we lay under  
the same stars

Hey, I know there are some things we need to talk about  
And I can't stay, Just let me hold you for a little longer now  
Take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone  
( **G** **Bm** **G** **Bm** )

Hey there Delilah, What's it like in New York City?  
I'm a thousand miles away, But girl tonight you look so pretty  
Yes you do, Time Square can't shine as bright as you  
I swear it's true  
Hey there Delilah, Don't you worry about the distance  
I'm right there if you get lonely, Give this song another  
listen  
Close your eyes, Listen to my voice it's my disguise  
I'm by your side

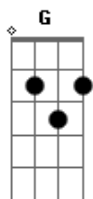

Oh it's what you do to me, Oh it's what you do to me  
Oh it's what you do to me, Oh it's what you do to me  
( **Em** **C** **G** )  
( **Em** **C** **G** )  
( **Em** **C** **G** )  
( **Em** **C** **G** )  
( **Em** **C** **G** )  
( **Em** **C** **G** )  
( **Em** **C** **G** )

Take a piece of my heart  
And make it all your own  
So when we are apart  
You'll never be alone  
You'll never be alone
