Em D Em  
She don't listen to a thing, plus it feels right  
Only dances when it's Kanye  
Em D Em  
She could take you one-on-one if she feels like  
You'll be begging her for mercy, mercy

[Pré-Refrão]

Em D  
Ooh, she'll take your name and number  
Then she'll hit erase and walk away  
Em D Em  
But ooh, is she so specific when she's at my place  
At my place

[Refrão]

Em D  
She's got particular taste, yeah  
Em  
She's so obsessed with the chase  
D Em D  
Yeah, she don't waste time on conversations, no  
Em  
She just goes right for the face, yeah  
She's so particular

[Segunda Parte]

Em D Em  
Never pickin' up her phone 'less it rings twice  
Only answers with a question, "Mhm..?"  
D Em  
If I try to play it cool, it never goes right  
D Em  
Got me drownin', drownin', uh

[Pré-Refrão]
