

Shawn Mendes - Satisfied

```
tom:
[Primeira Parte]
                C
Please don't tell me that he's just a friend
Don't you touch me and act all innocent
'Cause when you're sitting on my bed
And you look at me like that
           Em
                C
Please don't lie, we got too much to lose
 Em C
And pretend he means nothing to you
  Em C
And you could try to make it right
G D
But it's not so black and white
Em D G C
Oh, I've got nothing left
[Refrão]
And I've been trying my best to forgive you
But you messed it up one too many times
      C G B7
And when you come to me with tears in your eyes
Em D G C
I can't feel bad this time
[Segunda Parte]
And does he love you like the way I did?
And was it worth it the night you spent with him?
```

```
How could you go and risk it all?
Blame it on the alcohol
  Em D G
Now you can save your breath
 Em D G C
Oh, you can save your breath
[Refrão]
           C
                    G
And I've been trying my best to forgive you {\color{blue}C}
But you messed it up one too many times
    C G B7
And when you come to me with tears in your eyes
 Em D G C
I can't feel bad this time
[Ponte]
 It doesn't make it any better
 When you say, "It's not my fault"
 I really thought I knew you better
 Guess I don't know you at all
[Refrão]
And I've been trying my best to forgive you
But you messed it up one too many times
      C G B7
And when you come to me with tears in your eyes
 Em D G C
I can't feel bad this time
[Final] Em D G C
