

Shawn Mendes - Show You

Tom: D

(com acordes na forma de

Afinação: D G C F A D

Capostrate na 2ª casa

You can't walk the streets at night

You're way too short to get on this ride

No I'm not, no I'm not, you tryna tell me that I

I gotta be home when the street lights glow?

You can't watch your Tv show

I will watch what I wanna watch

No, I won't listen to you, do what I wanna do

And I will walk this road ahead

One hundred miles on my hands

Do I need to show you?

Guess I gotta show you

And if you don't believe me now

I'll flip the whole world upside down

Do I need to show you?

Guess I gotta show you

(C E Am F)

Watch me swim across this lake

Fly through the sky in my Superman cape

Watch me walk across this wire

Tip toe through the coals of a blazing fire

Watch me fly this kite in the rain

I'll jump rope with my ball and chain

Come by and knock on my house of cards

If it falls I'll rebuild it from the start

I won't listen to you, do what I wanna do

And I will walk this road ahead

One hundred miles on my hands

Do I need to show you?

Guess I gotta show you

And if you don't believe me now

I'll flip the whole world upside down

Do I need to show you?

Guess I gotta show you

Do I really gotta show you now? Really, really, gotta show you now?

Do I really gotta spell it out? I-T, I spell it out

Do you really wanna see me now? Watch me walk across the clouds

I don't know what you heard about, listen to me yell it loud

Do I really gotta show you now? Really, really, gotta show you now?

Do I really gotta spell it out? I-T, I spell it out

Do you really wanna see me now? Watch me walk across the clouds

I don't know what you heard about, see that door i'll knock it down

And I will walk this road ahead

One hundred miles on my hands

Do I need to show you?

Guess I gotta show you

And if you don't believe me now

I'll flip the whole world upside down

Do I need to show you?

Guess I gotta show you

Do I really gotta show you now? Really, really, gotta show you now?

Do I really gotta spell it out? I-T, I spell it out

Do you really wanna see me now? Watch me walk across the clouds

Do I need to show you? Guess I gotta show you
