Play the lotto you might win it
It's like 25 to life so you bust out of prison
Something's in the air, something's in the air
It's like that feelin when you're just about to kill it
Take your last shot you know you're gonna hit it
Something's in the air, something's in the air
Woaaahh oh
Something big I feel it happening
Out of my control
Pushing pulling and it's grabbing me
Feel it in my bones
Whoa oh whoa ohohohoh whoa oh
Something big I feel it happening oh
Whoa oh whoa ohohohoh whoa oh
Something big
It's like the feeling when you 'bout to win the medal
And you worked so hard that you knew you wouldn't settle
Hands are in the air, hands are in the air
When they hear you when you thought they wouldn't listen
It's like an anthem that the whole world's singin'
Hands are in the air, hands are in the air
