

Shawn Mendes - Thinking Out Loud

```
tom:
Intro: C Am F G C Am F G
[Primeira Parte]
 When your legs don't work like they used to before
 And I can't sweep you off of your feet
 Will your mouth still remember the taste of \underline{\mathtt{my}} love
 Will your eyes still smile from your cheeks
C Am F G C A
And darling I will be loving you 'til we're 70
And baby my heart could still fall as hard at 23
And I'm thinking 'bout how
[Pré-Refrão]
People fall in love in mysterious ways
Maybe just the touch of a hand
Oh me I fall in love with you every single day
And I just wanna tell you I am
         C Am F
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
And I'm thinking 'bout how
```

```
Maybe we found love right where we are
[Segunda Parte]
When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way, mm
I know you will still love me the same
                                            C Am F G
                         F G
'Cause honey your soul can never grow old, it's evergreen

C Am

Baby your smile's forever in my mind and memory
I'm thinking 'bout how
[Pré-Refrão]
People fall in love in mysterious ways
Maybe it's all part of a plan
I just keep on making the same mistakes
Hoping that you'll understand
[Refrão Final]
C Am F
But baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking 'bout how
That maybe we found love right where we are
```
