Shawn Mendes - Treat You Better

Tom: C
Intro: 2x:

Verse 1:
```
Am        G         F
I won't lie to you
           Am        G          F
I know he's just not right for you
```

Pre-Chorus:
```
           Am
And you can tell me if I'm off
    G
But I see it on your face
          F
When you say that he's the one that you want
            Am
And you're spending all your time
          G
In this wrong situation
      F
And anytime you wanted to stop
```

Chorus:
```
            Am          G
I know I can treat you better
F           C
  Than he can
                 Am       G       F       C
And any girl like you deserves a gentleman
                     Am
Tell me why are we wasting time
                G
On all on your wasted crying
                  F                C
When you should be with me instead
            Am        G    F
I know I can treat you better
  C
    Better than he can
```

Verse 2:
```
Am         G         F
I'll stop time for you
            Am        G        F
The second you say you'd like me too
Am                    G
I just wanna give you the loving that you're missing
F
Baby, just to wake up with you
```

Pre-Chorus:
```
Am                              G
Could be everything I need and this could be so different
F                  C
Tell me what you want to do
```

Chorus:
```
                     Am       G
'Cause I know I can treat you better
F           C
  Than he can
                 Am       G       F       C
And any girl like you deserves a gentleman
                     Am
Tell me why are we wasting time
                G
On all on your wasted crying
                  F                C
When you should be with me instead
            Am        G    F
I know I can treat you better
C
    Better than he can

Am  G  F  B

Am  G  F  B
```

Bridge:
```
Am           G
Give me a sign
           C             F
Take my hand, we'll be fine
    Am       G           F
Promise I won't let you down
        Am           G
Just know that you don't
          C        F
Have to do this alone
    Am            G        F     ( D )
Promise I'll never let you down
```

Chorus:
```
                     Am       G
'Cause I know I can treat you better
F           C
  Than he can
                 Am       G       F       C
And any girl like you deserves a gentleman
                     Am
Tell me why are we wasting time
                G
On all on your wasted crime
                  F                C
When you should be with me instead
            Am        G    F
I know I can treat you better

Am  G  F  B

Am  G  F  B
```
