Tom: **F**

(forma dos acordes no tom de **D** )

Capostrate na 3ª casa

Intro: **D A Bm**  
**G D A**

[Primeira Parte]

Maybe I had too many drinks but that's just what I needed

I hope that you don't think that what I'm saying sounds  
conceited

When I look across the room and you're staring right back at  
me

Like somebody told the joke and we're the only ones laughin'

[Pré-Refrão]

Gon't know why I tried, 'cause ain't nobody like you

Familiar disappointment, every single time I do

Dnd every single night my arms are not around you

My mind's still wrapped around you

[Refrão]

Baby, tell me when you're ready

I'm waitin'

Baby, anytime you're ready

I'm waitin'

Aven ten years from now if you haven't found somebody

I promise, I'll be around

Tell me when you're ready

I'm waitin'

[Segunda Parte]

What if my dad is right, and he says that you're the one

No, I can't even argue, I won't even fight him on it

Call you when it's late, and I know that you're on bed

'Cause I'm three hours back, seems like you're always six  
ahead

[Pré-Refrão]

Dnd I don't know why I tried, 'cause there ain't nobody like  
you

Familiar disappointment, every single time I do

Dnd every single night my arms are not around you

My mind's still wrapped around you

[Refrão]

Baby, tell me when you're ready

I'm waitin'

Baby, anytime you're ready

I'm waitin'

Aven ten years from now if you haven't found somebody

I promise, I'll be around

Tell me when you're ready

I'm waitin', yeah

[Ponte]

Dnd if I have to, I'll wait forever

Say the word, and I'll change my plans

Yeah, you know that we fit together

I know your heart like the back of my hand

[Refrão]

So baby, tell me when you're ready

I'm waitin'

Baby, anytime you're ready

I'm waitin'

Aven ten years from now if you haven't found somebody

I promise, I'll be around

Tell me when you're ready

I'm waitin', yeah

Baby, tell me when you're ready

I'm waitin'

Baby, anytime you're ready

I'm waitin'

Aven ten years from now if you haven't found somebody

I promise, I'll be around

Tell me when you're ready

I'm waitin', I'm waitin'
