

Shawn Mendes - Where Were You In The Morning?

Tom: E

m C D Em
You said, "I wanna get to know ya"

Why you gotta get my hopes up?
C D Em
You said that you were staying over

But then I woke up to the cold air
C D Em
How could you make me believe?

That there was something in between you and me, yeah
C D Em
I look around and I don't see you

[Refrão]

Where were you in the morning, baby?
Em D C D Em
You didn't leave your number for me

Left me without a warning, baby
Em D C D Em
Where were you in the morning, baby?

How do you, how do you just walk away?
Em D C D Em
How do you, how do you just walk away?

C D Em
And I thought you really felt this

When we were talking about breakfast
C D Em
You made it seem like we connected

I guess I just didn't expect this

C D Em
How could you make me believe?

That there was something in between you and me, yeah
C D Em
I look around and I don't see you

[Refrão]

Where were you in the morning, baby?
Em D C D Em
You didn't leave your number for me

Em D C D Em
Left me without a warning, baby

C D Em
And I hope you had a good reason

'Cause I know you had a good time
C D Em
And I'm looking up at the ceiling

And I keep wondering why
[Refrão]

Where were you in the morning, baby?
