

Shawn Mendes - Wonder

Intro: E Gbm Dbm A Am
[Primeira Parte]

I wonder if I'm being real
Do I speak my truth or do
I filter how I feel?
I wonder, wouldn't it be nice
To live inside a world
That isn't black and white?
I wonder what it's like
To be my friends
Hope that they don't think

I Wonder, I Wonder
[Refrão]

Right before I close my eyes
The only thing that's on my mind
Been dreaming that you feel it, too
I wonder what it's like to be loved by
You, Yeah

I wonder what it's like
I wonder what it's like to be loved by

[Segunda Parte]

I wonder why I'm so afraid
Of saying something wrong

I never said I was a saint
I wonder when I cry into my hands
I'm conditioned to feel

Like it makes me less of a man
And I wonder if someday
You'll be by my side
And tell me that the world

Will end up alright
I wonder, I wonder

[Refrão]

Right before I close my eyes
The only thing that's on my mind
Been dreaming that you feel it, too
I wonder what it's like to be loved by
You, Yeah

I wonder what it's like
I wonder what it's like to be loved by you

(E Gbm Dbm A)
I wonder what it's like
To be loved by you, yeah

I wonder what it's like
To be loved by you
I wonder what it's like to be loved by

Right before I close my eyes

The only thing that's on my mind
Been dreaming that you feel it too
I wonder what it's like to be loved by you
