

Shawn Mendes - Youth (feat. Khalid)

Tom: E

m [Intro] Em Bm C Am

Em Bm
Here I am, stuck on this couch, scrolling through my notes

C Am
Heart was broken, still not growing, nah

Em Bm
Waking up to headlines filled with devastation again

C Am
My heart is broken, but I keep going

Em Bm
Pain, but I won't let it turn into

C Am
Hate, no I won't let it change me

Em Bm
Never losing sight of the one I keep inside

C Am
Now I know it, yeah I know it

[Refrão]

Em
You can't take my youth away

Bm
This soul of mine will never break

C
As long as I wake up today

Am
You can't take my youth away

You can't take my youth away

This soul of mine will never break

Em Bm
You hit me with words I never heard come out your mouth

To be honest, I don't want it, no
