Shaya Zamora - Take Me To Where Your Heart Is

```
                    tom:
                     E
Intro:  A   Dbm   A   Dbm

[Primeira Parte]

Dbm          A
   I fell in love
Dbm              Dbm
   In love with the wrongs
                A
Dreaming of us
                      Dbm
No, I don't want you to go
Dbm            B  Abm
   Need you to stay right here

[Refrão]

                  A
Take me to where your heart is
                Dbm
And we'll call it home
                     E
My soul's feeling hardened
                    B
My blood's running cold

[Segunda Parte]

E                        Db     A
  Wish that I could leave it all behind
                           Dbm
As I'm searching for a road I can't find
```

```
Dbm                     Am      A
   Fell in love when I seen those eyes
     Dbm                          A
Oh, how could something so beautiful
Dbm            A
   Have me so blind

[Interlude]  A   Dbm   A   Dbm

[Refrão]

Bm                     A
   Take me to where your heart is
                Dbm
And we'll call it home
                     E
My soul's feeling hardened
                    B
My blood's running cold

[Other]

E        A
   I feel it coming
A
Oh no, no, no, no, no
                    Dbm
Oh, I can't keep running
                  E
I know there's something
                  B
Oh, I can't keep running

[Final]  E   Em   A
