

Blake Shelton - Friends

Tom: **D**

D
There's a moment in this journey that I gave up
G
My boots just couldn't walk another mile
G **D**
And that cloud above me had no silver lining
E **A**
I couldn't buy a break with my last dime

D
Oh but when I saw you standing in the corner
G **D**
I'd never thought that you would have my back
G **D**
But then we rolled in like the thunder and the lightning
A **D**
Threw some punches then we had a laugh

[Refrão]

G **D** **G**
A
Just some roughed up desperadoes. Hanging tough through thick
and thin
G **D** **G** **A**
D
Kicking up dust wherever we go. I can see that you and me are
gonna be friends
D
Who'd thought we'd wind up here together?
G **D**
It's crazy that we're standing side by side
G **D**

Fighting just like two birds of a feather
A **D**
Who's gonna tell us now that we can't fly?

[Refrão]

G **D** **G**
A
Just some roughed up desperadoes. Hanging tough through thick
and thin
G **D** **G** **A**
D
Kicking up dust wherever we go. And I can see that you and me
are gonna be friends
A **D**
To the end you and me are gonna be friends. Yeah, here we go

D
Hey, hey you and me. Different as different can be
You like to rock, I like to roll. You take the high, I'll take
the low
G **A** **G** **A**
Woah, woah-oh, woah-oh

G **D** **G**
A
Just some roughed up desperadoes. Hanging tough through thick
and thin
G **D** **G** **A**
D
Kicking up dust wherever we go. I can see that you and me are
gonna be friends
A **D**
To the end you and me are gonna be friends
A **D**
And I can see that you and me are gonna be friends, yeah **D**
