

Blake Shelton - Neon Light

Tom: D

D A
Ever since you left me, I've been ridin' 'round
D A
Cranking up a little country gold heartbreak
D A
Cried and dried these tears, I don't know how much
D A
More missin' you I can take

D A
I prayed, prayed, prayed
D A
For a sign, sign, sign
D A
Now there it is in the window
D A
It's about time, damn time

D G A
There's a neon light at the end of the tunnel
D G A
It ain't all that bright, but even though it's subtle
D G A
It's got me feeling alright, gonna make it a double
D G
There's a neon light at the end of the tunnel, tunnel, tunnel

D A
I take a shot of I don't care what you're doing now
D A
Chase that one with a cold screw you
D A
When that's done, I just might wash it down
D A
With a big pitcher of someone new

D A
That blond blonde blonde
D A

At the bar, bar, bar
D A
See if she wants to try and break
D A
My heart, heart, heart

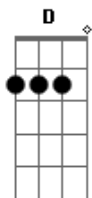

D G A
There's a neon light at the end of the tunnel
D G A
It ain't all that bright, but even though it's subtle
D G A
It's got me feeling alright, gonna make it a double
D G
There's a neon light at the end of the tunnel, tunnel, tunnel

D
When we were together, I thought life would suck forever
D A
Even though I knew better than the pain would never end
D
They say the night's darkest just before the dawn
D A
Gets kissed by the day break, got down on my knees

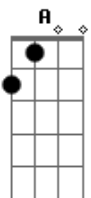

D A
And I prayed, prayed, prayed
D A
For a sign, sign, sign
D A
Now there it is in the window
D A
It's about time, damn time

D G A
There's a neon light at the end of the tunnel
D G A
It ain't all that bright, but even though it's subtle
D G A
It's got me feeling alright, gonna make it a double
D G A
There's a neon light at the end of the tunnel, tunnel, tunnel
