I was gonna keep it real like chill like only have a drink or two

**B E Gb**  
But it turned into a party when I started talking to you

Now you're standing in the neon looking like a high I wanna be on

**Gb**  
Baby it's your call, No pressure at all

**E B**  
You don't have to throw back your pretty pink lemonade shooter

**Gb E**  
And lean a little closer

**Gb**  
You don't have to keep on smiling that smile that's driving me wild

**E**  
And when the night is almost over

**E B Gb**  
Meet me in the middle of a moonlit Chevy bench seat

**Abm Gb E**  
And do a little bit of country song, hanging on
