

# Shereen Shabana - Maybe

tom: C G

Sad song on the radio playing C  
Am F  
And I know I'm falling  
C G  
Three words I can hear me saying  
Am F  
Resting on my lips

C  
You say my name  
G  
Like I'd got a chance  
Am  
You make it sound  
F  
Like I'm gold in your hands

C G  
It's the greatest feeling  
Am F C  
I'm believing in something  
G Am  
Maybe it's nothing  
F C  
Maybe the one

( C G Am F )

C G  
I've got a feeling you're the one

(The one)  
Am F  
After the rain here comes the sun

(The one)  
C G  
I've got a feeling you're the one

(The one)  
Am F  
I've got a feeling that you just maybe

(Maybe the one)  
C  
Just maybe

(Maybe the one)  
C  
Just maybe

C  
Just maybe

I've got a feeling

You're the one

C G  
I see myself driving with you  
Am F  
And we've got the wind behind us  
C G  
I see us arriving like fools  
Am F  
Like we really don't care

C G  
We dance in the rain  
Am F  
Being at love to the stars  
C

Open our hearts  
G Am  
Cause that's who we are  
F C  
It's the greatest feeling  
G  
Believing  
Am F  
That you may be the one

(The one)  
C G  
I've got a feeling you're the one

(The one)  
C G  
After the rain here comes the sun

(The one)  
C G  
I've got a feeling you're the one

(The one)  
C G  
I've got a feeling that you just maybe

(Maybe the one)  
C  
Just maybe

(Maybe the one)  
C  
Just maybe

(Maybe the one)  
C  
Just maybe

C  
And after the rain goes

G  
I see a rainbow  
Am  
After the rain goes  
F  
Baby, show me a rainbow  
C  
C'mon and show me a rainbow  
G  
C'mon and show me a rainbow  
Am  
Baby, you may be the one

(The one)  
C G  
I've got a feeling you're the one

(The one)  
C G  
After the rain here comes the sun

(The one)  
C G  
I got a feeling that you just maybe

(Maybe the one)  
C  
Just maybe

(Maybe the one)  
C  
Just maybe

C  
Oh, just maybe

I've got a feeling you're the one
