

Sheryl Crow - Crash and Burn

```
Tom: C

G Dm
I watched the sun come up on Portland
G Dm C
I waved goodbye to all my friends
(C) F G C
I packed my car and headed to LA
(C) F G
I gave away all my loose ends

G Dm
Somebody said you gotta get away
G Dm C
To wanna go back home again
(C) F G C
I left my universe standing there
(C) F G
Holding the hand of my best friend

F Dm G
And it's laughter that I feel when I think of you
F Dm G F
It's one more dusty rose about to turn
(F) Dm G
I'll see you when I reach New Mexico
C F G
If I'm in the mood to crash and burn

(G) Dm G
I wrote a letter that I never mailed
(G) Dm C
I rehearsed a dialogue in my head
```

```
In case you ever wanted to track me down
I'll take my cell phone to bed
And it's one more punchline I forgot to learn F $\sf Dm$ {\sf G} C
I call you up when my bottle's dry
(C) F G
I'm on my way to crash and burn
Antigone laid across the road
And let a mack truck leave her there for dead
Just because her lover split the scene
Well love might be great break but why lose your head
Well, it's laughter that comes up when I cry for you
                            Dm
And my heart may break again before it learns
                          Dm
And I might be stupid enough to want to fall again
Cause I've gotten use to the crash and burn (C) F G
I say I've gotten use to the crash and burn
```
