(Riff)

I'm American made but I like Chevrolet My momma taught me wrong from right. (Riff) I was born in the South Sometimes I have a big mouth

When I see something that I don't like

I gotta say it. (Riff)

Well, we've been driving this road for a mighty long time Paying no mind to the signs

Well, this neighborhood's changed

It's all been rearranged We left that team somewhere behind.

Refrão:

Slow down, you're gonna crash,

Look out babe, you've got your blinders on Everybody's looking for a way to get real gone

Real gone. Real gone. (Riff) But there's a new cat in town He's got high-faded friends Thinks he's gonna change history (Riff) You think you know him so well Yeah you think he's so swell But it's just a front you wait and see Refrão:

Slow down, you're gonna crash,

Look out, you've got your blinders on Everybody's looking for a way

To get real gone

(Riff) Real gone. Real gone. Real gone. Uhh. (Riff)

Well you can say what you want But you can't say it 'round here 'Cause they'll catch you and give you a whippin'

Well, I believe I was right when I said you were wrong You didn't like the sound of that

Now, did ya?

Refrão:

Slow down, you're gonna crash,

Look out, you've got your blinders on Everybody's looking for a way to get real gone

Well here I come and I'm so not scared, Got my pedal to the metal, got my hands in the air

Look out, you take your blinders off Everybody's looking for a way to get real gone

(Intro) Real gone. Real gone. Ooh. Real gone.

Real gone.
