

Sheryl Crow - We do what we can

```
Intro: .: D C
                G
I hitched a ride with a vending machine repair man
  He says he's been down this road more than twice
  He was high on intellectualism
I've never been there but the brochure looks nice
Jump in, let's go
Lay back, enjoy the show
Everybody gets high, everybody gets low,
These are the days when anything goes
{Chorus}
   D7
Everyday is a winding road
     I get a little bit closer
Everyday is a faded sign
   I get a little bit closer (to feeling fine)
Intro: 2
```

```
He's got a daughter he calls Easter
    D G
She was born on a Tuesday night
       D
I'm just wondering why I feel so all alone
       D
Why I'm a stranger in my own life
    . D
Jump in, let's go
Lay back, enjoy the show
Everybody gets high, everybody gets low
These are the days when anything goes
{Chorus 2 times, pause on D7 4 measures, followed by slide
I've been swimming in a sea of anarchy
I've been living on coffee and nicotine
I've been wondering if all the thing I've seen \ensuremath{\mathsf{I}}
                   G
Were ever real, were ever really happening
