

Shiloh Dynasty - So Low

tom:

[Primeira Parte]

Who would you die for?

Who would you lie for, lie for?

This ain't the Bible, 'cause I got a rifle, rifle

Don't ever fuck with me, 'cause I got enemies, I got enemies

Nobody's there for me

[Refrão]

So Father, forgive me for you know that I am always sinnin'

I take no interest partying with liquor fucking up my system

Excuse my language, that's a hang up on how shitty I've been feeling

I'm sorry, I feel no attraction I know that it's been a minute

Cuz I've been so alone for so long

Oh, oh, oh yeah!

Cuz I've been so alone for so long

Oh, oh, oh yeah, yeah, yeah

[Segunda Parte]

Who do you ride for?

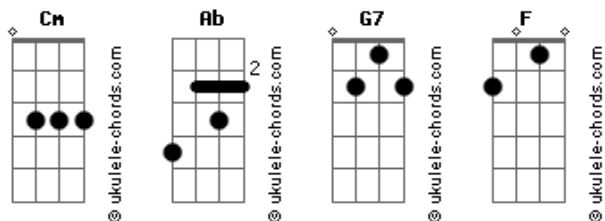

Who do you cry for, cry for?

It's now or never, gotta keep it together, oh Lord

It's takin' over me, 'cause I got enemies, I got enemies

Nobody's there for me

Acordes

[Refrão]

So Father, forgive me for you know that I am always sinnin'

I take no interest partying with liquor fucking up my system

Excuse my language, that's a hang up on how shitty I've been feeling

I'm sorry, I feel no attraction I know that it's been a minute

Cuz I've been so alone for so long

Oh, oh, oh yeah!

Cuz I've been so alone for so long

Oh, oh, oh yeah, yeah, yeah

[Terceira Parte]

You do know I

I tried my best, yeah

Only to fuck up

Going in and out of love

Burning rubber, ridin' solo, yeah, head too fucked up

Tell me what you really want from me- is that too much?

Is that too much? Is that too much?

[Refrão]

Cuz I've been so alone for so long

Oh, oh, oh yeah!

Cuz I've been so alone for so long

Oh, oh, oh yeah, yeah, yeah
