

# Shimshai - All That I Am

Tom: G

La da da da da

All that I am, all that we are, shining in love like an  
Infinite star  
One with the all, all becomes one, all has been here since  
Creation begun  
So break down the walls of illusion and fear, seek for the  
Truth and the truth shall appear  
For all that I am, all becomes one, shining in love like the  
Infinite sun

All a One light the way  
I receive of the love that you're giving  
And there's no other way

All a One is the essence of living

La da da da da

Follow the pathway that lies where you go  
Look for the truth in the things that you know  
Seek for Jah wisdom so high and so pure  
Carry it with you thru all you endure

All a One light the way  
Shine every night, every day that I'm living  
And there's no other way  
All a One is the way of forgiving  
All a One light the way

I receive of the love that you're giving  
And there's no other way  
All a One is the essence of living
