Shinedown - Amaryllis

```
Tom: Db
                                                         Ask yourself now
                                                         Where would you be without
                                        C)
 (com acordes na forma de
Capostraste na 1^{\underline{a}} casa
                                                         C7M G
                                                         Days like this
Intro: C C7M C C7M
Verso:
                                                         When you finally collide
C C7M
                      C
                                                                F
In a while now I will feel better
                                                         With the motions you can't resist
    C7M
                                                         Refrão:
                    C
I'll face the weather before me
                                                             С
                                                         So do I remind you of
 C7M
                       C
In a while now I'll race the irony
                                                              Bb
                                                         Someone you never met
     С7М
And buy back each word of my eulogy
                                                                 F
                                                         A lonely silhouette
                                                             С
                                                         And do I remind you of
All the uninvited tragedies
                                                               Bb
Step outside
                                                         Somewhere you wanna be
                                                             F
C C7M
                                                         So far out of reach
Ask yourself now
                                                         Dm
                                                                       F
                                                         Oh, I wish you'd open up for me
             C
Where would you be without
                                                                   F
                                                         Dm
                                                         'Cause I wanna know you
C7M G
Days like this
                                                         Amaryllis
When you finally collide
                                                         Solo:
       F
With the moment you can't forget
Refrão:
           G
    С
So do I remind you of
                                                         Ponte: C C7M C C7M C
   Bb
                                                         C C7M
Someone you never met
                                                         In a while now
       F
A lonely silhouette
                                                         I will feel better
    C
And do I remind you of
                                                                C7M
                                                         I will be better
       Bb
Somewhere you wanna be
 F
                                                         Refrão:
So far out of reach
                                                            С
                                                         So do I remind you of
Dm F
Oh, I wish you'd open up for me
                                                              Bb
          F
                                                         Someone you never met
Dm
'Cause I wanna know you
                                                                F
Amaryllis
                                                         A lonely silhouette
C C7M
                                                           C G
Bloom
                                                         And do I remind you of
                                                                  Bb
( C C7M )
                                                         Somewhere you wanna be
                                                              E.
Verso:
C C7M
                                                         So far out of reach
                                                         Dm
                                                                       F
Stay a while now
                                                         Oh, I wish you'd open up for me
                                                         Dm F
          С
Undress your colors
                                                         'Cause I wanna know you
                    C7M
'Cause they're like no others
                                                         C
                                                                   G
                                                         Amaryllis
I've ever seen
                                                         Bb F
                                                         Blo-om
I could get used to your company
                                                                   G
                                                         C
                                                         Amaryllis
Step inside
                                                         Bb F
                                                         Blo-om
    C7M
С
                                                         С
                                                         Amaryllis
