NOTE: Fantastic song, great song. I don't know what's better: Listening to the song or Playing the song. I think this songs introwise. Awesome intro. Once again, another hit from their new record 'Us and Them'. I'm telling you, that is one album you won't regret buying. So play it up, this tab is correct in every manner (at least to me).

If you find anything needing correction, post it in a Please rate and ENJOY!!!, I mean Well... ...ENJOY!!!
