**Am** **D** **Am** **G** **D**  
And I stay awake, all ni-ight  
**Am** **D** **Am** **G**  
And I stay awake, just to fight  
**Am** **D** **Am** **G** **D**  
It's so surreal, there is no way out of he-re  
**Am** **D** **C** **G**  
I'm caught on both sides, and this I know is clear

**F**  
I don't know where you are  
**G**  
So why do I care  
**F**  
I know we're both even  
**C** **D**  
So why's it feel unfair

**A** **C**  
Cuz I've been the one who stood by you.  
**Am** **A** **D**  
And I've been the one who waited in line  
**C** **Am**  
And gave up his time for you  
**A** **C** **G** **F**  
And I've been the one you've soon forgo-tten

**Bb** **Dm** **C**  
So you're covered, still I wished you well  
**Bb** **D** **Am** **C**  
So you struggled, sometimes we all need help  
**Am** **A** **Bb** **C**  
I know you'll find yourself, sooner or later  
**Am** **A** **D** **C**  
Recover and just move on

**A** **C**  
Cuz I've been the one who stood by you  
**Am** **A** **D**  
And I've been the one who waited in line  
**C** **Am**  
And gave up his time for you  
**A** **C** **G** **F**  
And I've been the one you've soon forgo-tten  
**Am** **D** **Am** **Dm**  
But you never seemed to care  
**Dm** **Am** **D** **Dm**  
No, you never seemed to care

**Am** **D** **Am** **Dm**  
Sometimes the bad and the good blend together  
**Am** **D** **C** **G**  
An open book is as predictable as the weather  
**Am** **D** **Am** **Dm**  
And there are no new ways to reinvent this life

( **Am** )
