

# Shinedown - Through The Ghost

Tom: G

Intro: Em C G D

Em C G D Em  
Speak of the devil look who just walked into the room

The guilty invaded notion of someone I once knew

C  
All the perfect moments are wrong

Em D  
All the precious pieces are gone

C  
Everything that mattered is just

Em  
A city of dust

D  
Covering both of us

C G Em A  
Did you hide yourself away

C G Em A  
I can't see you any more

C G Em  
Did you eclipse another day

A  
I used to wake up to the colour of your soul

C G Em A  
Did you hide your self away

C G Em A  
Are you living through the ghost

C G Em  
Did you finally find a place

A  
Above the shadows of a world we'll never know

C (pausa) Em C G D  
The world will never know you like I do

Em C G D Em  
So many silent sorrows you'll never hear from again

C  
And now that you lost tomorrow, is yesterday still a friend?

C  
All the bridges that we built will burn

Em D  
Not a single lesson was learned
