

Shirley Bassey - Diamonds are Forever

Tom: **G**

[Intro:] **Bm G**

Bm
Diamonds are forever,
They are all I need to please me, **Em**
They can stimulate and tease me, **A**
They won't leave in the night, **Em Em**
I've no fear that they might desert me **C**

Diamonds are forever,
Hold one up and then caress it,
Touch it, stroke it and undress it,

I can see every part,
Nothing hides in the heart to hurt me

I don't need love, **Gbm**
For what good will love do me? **Bm Em**
Diamonds never lie to me, **C C**
For when love's gone, they'll lustre on **Gb Gb7**

Diamonds are forever,
Sparkling round my little finger
Unlike men, the diamonds linger
Men are mere mortals who
Are not worth going to your grave for
