tom:

[Intro] C C Am Bb7

Ab7 G7

[Primeira Parte]

A ditosa Cidade deve ser linda
Se pudesse eu iria pra lá agora
Veria o Senhor frente a frente
Cantaria naquele imenso coral

[Refrão]

Veria anjos e querubins ali
Reunidos, cantando hosanas ao Rei
Breve este meu pensamento será realida_de
Pois pra lá vo_a_rei

[Segunda Parte]

Veria ainda todos os discípulos
Que andaram por aqui, pregando a Palavra
Imagino abraçar Paulo e Tiago
Ver João, Abraão, Isaque e Jacó

[Refrão]

Veria anjos e querubins ali
Reunidos, cantando hosanas ao Rei
Breve este meu pensamento será realida_de
Pois pra lá vo_a_rei
(C C Am Bb7 A7 D7)
(Ab7 G7)

[Terceira Parte]

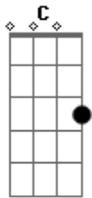

Irmão se ficarmos em comunhão com Cristo
Naquela linda cidade nós iremos morar
Veremos o Senhor frente a frente
Cantaremos naquele imenso coral

[Refrão Final]

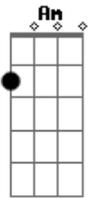

Veremos anjos e querubins ali
Reunidos, cantando hosanas ao Rei
Teremos somente prazer e muita alegri_a
Para sem_pre
Amém
