 Am                Am7             Am7       Am
I've been so many places in my life and time
 C                                           Gbm7
I've sung a lot of songs I've made some bad rhyme
   F                              Em7        Dm7
I've acted out my life in stages, with ten thousand people
watching
 Dm7          Em7                      F
C   E7
But we're alone now and I'm singing this song for you
 Am                Am7             Am7       Am
I know your image of me is what I hope to be
C                                           Gbm7
I treated you unkindly but darlin' can't you see
              F                     Em7
Dm7                     Em7
There's no one more important to me baby, can't you please see
through me
 Dm7          Em7                      F
C   E7
Cause we're alone now and I'm singing this song for you
Am7                     E7          C           Gbm7
You taught me precious secrets of the truth withholding
nothing
```

```
    F                G                C
You came out in front and I was hiding
Em7   Am           E7          C               Gbm7
But now I'm so much better and if my words don't come together
F              Em         Dm            G7
Listen to the melody cause my love's in there hiding
       Am                    E7
I love you in a place where there's no space or time
       C                     Gbm7
F               Em7
I love you for in my life you are a friend of mine and when my
life is over

Remember when we were together
 Dm7          Em7              F          C     E7
We were alone and I was singing this song for you
Am7                     E7          C           Gbm7
You taught me precious secrets of the truth withholding
nothing
    F                G                C
You came out in front and I was hiding
Em7   Am           E7          C               Gbm7
But now I'm so much better and if my words don't come together

Listen to the melody cause my love's in there hiding
Dm7          Em7              F          C
