```
   Am                  Am7              Am7         Am
I've been so many places in my life and time
 C                                              Gbm7
I've sung a lot of songs I've made some bad rhyme
    F                              Em7           Dm7
I've acted out my life in stages, with ten thousand people
Em7
watching
 Dm7           Em7                       F
C   E7
But we're alone now and I'm singing this song for you
 Am                  Am7              Am7         Am
I know your image of me is what I hope to be
C                                              Gbm7
I treated you unkindly but darlin' can't you see
              F                      Em7
Dm7                    Em7
There's no one more important to me baby, can't you please see
through me
 Dm7           Em7                       F
C   E7
Cause we're alone now and I'm singing this song for you
Am7                  E7           C              Gbm7
You taught me precious secrets of the truth withholding
nothing
```

```
   F               G               C
You came out in front and I was hiding
Em7  Am           E7           C              Gbm7
But now I'm so much better and if my words don't come together
F             Em          Dm           G7
Listen to the melody cause my love's in there hiding
    Am                      E7
I love you in a place where there's no space or time
    C                    Gbm7
I love you for in my life you are a friend of mine and when my
life is over
   Dm7           Em7
Remember when we were together
 Dm7           Em7              F        C     E7
We were alone and I was singing this song for you
Am7                  E7           C              Gbm7
You taught me precious secrets of the truth withholding
nothing
   F               G               C
You came out in front and I was hiding
Em7  Am           E7           C              Gbm7
But now I'm so much better and if my words don't come together
F             Em          Dm           G7
Listen to the melody cause my love's in there hiding
Dm7           Em7              F        C
We were alone and I was singing this song for you
Dm7           Em7              Bb                    Ab
A7   C7M
We were alone and I was singing this song, singing this song
for you
