And the TV is on Am

And I always sleep with my guns when you're gone C Dm E7

There's a blade by the bed Am

And a phone in my hand G

A dog on the floor Dm

And some cash on the nightstand Am

When I'm all alone the dreaming stops C Dm

And I just can't stand E7

Refrão:

What should I do I'm just a little baby Dm

What if the lights go out Am

And maybe and then the wind just starts to moan Dm

Outside the door he followed me home E7

So goodnight moon Dm

I want the sun

If it's not here soon Am

I might be done

No it won't be too soon 'til I say goodnight moon Dm E

There's a shark in the pool

And a witch in the tree

A crazy old neighbor and he's been watching me

And there's footsteps loud and strong coming down the hall

Something's under the bed

Now it's out in the hedge

There's a big black crow sitting on my window ledge

And I hear something scratching through the wall

What should I do I'm just a little baby

What if the lights go out

And maybe I just hate to be all alone

Outside the door he followed me home

So goodnight moon

I want the sun

If it's not here soon

I might be done

No it won't be too soon 'til I say goodnight moon
