

Shivaree - I Close My Eyes

Tom: F

Dm
Giddy-up old boy it's time to go
Dm
Voulez-vous savoir the love below
Dm
Brother, I've got more than you can take
Dm
But more than I can do to stay awake

Dm **A** **Dm**
I close my eyes
Bb
So I
Gm **A** **Dm**
Can dream of ways to keep you occupied
Bb
So I
Gm **A** **Dm**
Can lock you up we'll keep it classified
Bb
Alright
Gm
You're mine tonight, son
A **Dm** **Bb** **Gm** **A**
When I close my eyes

Dm
I can make you sorry when I want
Dm
Find some other house for you to haunt
Dm
Carry out your sentence in my head
Dm
All I have to do is go to bed

Dm **A** **Dm**
I close my eyes
Bb
So I

Gm **A** **Dm**
Can dream of ways to keep you occupied
Bb
So I
Gm **A** **Dm**
Can lock you up we'll keep it classified
Bb
Alright
Gm
You're mine tonight, son
A **Dm** **Bb** **Gm** **A**
When I close my eyes

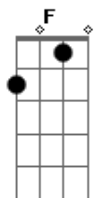

A **Bb**
Hide and seek, yellow ducky
A **A7** **Dm**
Feeling weak or feeling lucky son

(**Bb** **Gm** **A** **Dm** **Bb** **Gm** **A**)

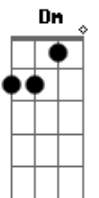

A **Bb**
Who's got milk, the baby's crying
A **Bb**
Shut 'em up, get 'em flying
A **Bb**
Little kiddies bought and sold
A **A7** **Dm**
And papa's got a brand new bag of gold

Bb
Tonight
Gm **A** **Dm**
I'll dream of ways to keep you occupied
Bb **Gm** **A** **Dm**
So I can lock you up we'll call it classified
Bb
So right
Gm **A** **Dm**
You're mine tonight love when I close my eyes
(**Bb** **Gm** **A**)
(**Dm** **Bb** **Gm** **A**)
