Shout - Find a Way

Tom: C

Intro: C G F Bb F

```
  C         Am   F        G
Where has it gone I don't know
            F  Dm          Bb  F
God knows I've tried Part of me's di...ied
  C       F  C       G
How long can feelings go on
            F        Dm      E
Tears start to fall I've given my all

A                       Gbm
 Love I know will find a way
                  G                     D     E
I hear it's voice I can't escape the call Into my heart
A                       Gbm
 Love I know will find a way
                A  G              D          G  C
Don't make me wait   If ever love is gone I just can't go on

   C         Am            G  C
As I recall the years that all slipped by
G      F  Dm         Bb  F  B
I can't deny My foolish pri...ide
         C       Am       G
Well someday I'll hold You forever
         C     F  Dm        E
And never let go Lord I'll be yours

A                       Gbm
 Love I know will find a way
                  G               D
I hear it's voice I can't escape the call Into my heart
A                       Gbm
 Love I know will find a way
```

```
                        A    Gbm G                 D
B
Don't make me wa...it    If ever love is gone I just can't go
on

C            G          Am       F G
 Now sometimes I feel like it's all I can do
C            G          Bb         F  G
 To keep holdin' on 'till I sail away with You
C            G          Am         F         B
 Now where do we go after time has played it's hand
C            G               Bb        F  B (C )
 One thing I know for sure, Your love is gonna stan....And

SOLO:  C G F Bb F G B

      C            Am                    G
As I recall the years that all slipped by
G      F  Dm          Bb  F
I can't deny My foolish pri...ide
         C       Am   C   G
Well someday I'll hold You forever
         C     F  Dm        A     E              Gb
And never let go Lord I'll be yo.....urs, Lord I'll be
yo...urs

B                       Abm
 Love I know will find a way
                  A               E    Gb
I hear it's voice I can't escape the call Into my heart
B                       Abm
 Love I know will find a way
                        A              E
Don't make me wait We'll sail away, sail away
              Gb     B      Abm A   E  B
Love is gonna find a way, find a wa........ay,
            Abm   A   E  B
Waiting fi.........nd
