# Sia - buttons

Tom: F

```
    Riff Intro:
```

Verso 1
```
C                     Bb
You got me pushing imaginary buttons
F                      Ab          Bb
Step away from me lover, away from me lover
C                     Bb
You got me counting imaginary school children
F                      Ab          Bb
Get away from me lover, away from me lover
C                     Bb
Yes I can see that my carpet is animated
F                      Ab          Bb
Walk away from me lover, away from me lover
C                     Bb
Yes I see you open wounds in everyone I've dated
F                      Ab          Bb
Away from me lover, get away from me lover
```

Chorus
```
F
I am no good for you
Ab                    Bb          Db  C
I'm seeing ghosts in everything I do
F
I am no good for you
Ab                    Bb          Db  C
I'm seeing ghosts in everything I do
```

```
F
I am no good for you
Ab                    Bb
I'm seeing ghosts in everything I do
Db      C
Oh oh oh oh
F
I am no good for you
Ab                    Bb
I'm seeing ghosts in everything I do
Db      C
Oh oh oh oh
```

Verso 2
```
C                     Bb
You got me turning all the lights on and off
F                      Ab          Bb
Walk away from me lover, away from me lover
C                     Bb
When will you see that I am carrying this stuff
F                      Ab          Bb
Walk away from me lover, away from me lover
C                     Bb
Can't you see that I am losing my marbles
F                      Ab          Bb
It's marvellous losing another, losing another
```

Outro

```
Oh oh oh walk away from me lover, away from me lover
Oh oh oh get away from me lover, away from me lover
Oh oh oh step away from me lover, away from me lover
Oh oh oh walk away from me lover, away from me lover
```
