

Sia - Like A River Runs

Tom: B
Intro: B Abm E Abm

B
I woke up thinking you were still here.
Abm
My hands were shaking with regret.
E
I've had this dream for such a long long time
Abm
and I wanna get up, to the rhythm of the wild, E
to the rhythm of the wild heart, Gb
that beats, that beats like a rolling drum.. B

I saw you standing on the corner,
Abm
I saw you standing on your own.
E
And I get the feeling that it's all a dream, Abm E
and I wanna get up to the rhythm of a wild, Gb
to the rhythm of a wild heart,
that beats, that beats like a drum..

B B B2 B
When I fall asleep I can see your face,
E# Abm G#sus4 Abm
what I lost in you I will not replace..
E# Abm G#sus4 Abm
And I could run away, I could let them down,
E Gb B
but I will remember your light.

Your light it follows me in darkness.
Abm
I'm trying hard but I can't win.
E
And I've played the victim for a long long time, Abm E
and I wanna grow up from the rhythm of a young, Gb
from the rhythm of a younger heart,
it leads just like a river runs.

B
That night I sent over the parkway,
Abm
summer's gone and I'm alone..
E
And I get the feeling that you're somewhere close,
Abm E
and I wanna get up to the rhythm of your wild, Gb
to the rhythm of your wild heart, it beats,
been beating since you're gone..

B B B2 B
When I fall asleep I can see your face,
E# Abm G#sus4 Abm
what I lost in you I will not replace..
E# Abm G#sus4 Abm
And I could run away, I could let them down,
E Gb B
but I will remember your light.
B B B2 B
(When I fall asleep) I can see your face,
E# Abm G#sus4 Abm
what I lost in you I will not replace..
E# Abm G#sus4 Abm
And I could run away, I could let them down,
E Gb
and know you're gone, know you're gone..
E Gb Abm
I still remember your light. Your light..

B
And if you see me in the darkness,
Abm
I hope you know I'm not alone.
E
I carry you with every breath I take,
Abm E
and I won't let up, I won't let up,
Gb
'til the wind is gone..
B Abm
Till the wind is gone, till the wind is gone.
E Abm E End on B
Till the wind is gone, till the wind is gone..
