

# Sia - Little Black Sandals

Tom: C  
Intro: Em C G G

[Verso]

Em C  
I'm being dragged down  
G  
Down by the hand  
Em C G  
The hand of a golden giant man  
Em C  
He's crushing my knuckles  
G  
Splitting my skin  
Em C  
He says he will let go  
G  
If only I'd ask it of him  
Em C G  
He says Girl, it's your call  
Em C G  
You wanna fly You wanna fall  
Em C  
So I shout...I wanna get away from you  
G  
As fast as I can  
Em C  
I tell my feet to move it  
G  
I hope they have a plan

[Refrão]

Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals are heading the right way  
Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals saved my life today

[Verso]

Em C G  
So now I'm free...free  
Em C  
From the big bad giant  
G  
Who was stalking me  
Em C G  
Thank you feet, for guiding me  
Em C G  
I'm glad somehow I got brains down there, at least

[Refrão]

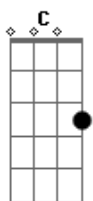

Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals are heading the right way  
Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals saved my life today

[Verso]

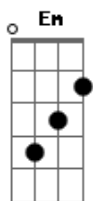

Em  
Sometimes I'm tempted  
C G  
Sometimes I am  
Em C G  
I would be lying if I said I didn't miss that giant man  
Em C G  
Oh... He was the line between pleasure and pain  
Em C G  
But me and the feet have some years to reclaim  
[Refrão]

Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals are heading the right way  
Em C G  
These little black sandals are walking me away  
Em C G  
These little black sandals saved my life today
