

Sia - Together

tom:

G

G C Em C
Oh, together, we can take it higher

G C
I can hear the thunder coming from your mouth

Em
And I know my number's up, give me some Stevie Wonder

C
Quick, put it on before we go under

G C
I can see the lightning coming from your ears

Yeah, I see you're frightened

Em C
I can see the lion sleeps tonight in the tears you're crying

[Ponte]

G Em
Oh, you can't love me unless you love you too

G
Treat yourself like nothin' but a fool

Em C
Can't love me unless you love you too, love you too

[Refrão]

G
Come now set the past on fire, stand up raise your face to the

Em
sky, my love

C
Together, we can take it higher, oh, together, we can take it higher

G
Come now set the past on fire, stand up raise your face to the

Em
sky, my love

C
Together, we can take it higher, oh, together, we can take it higher

G C
I can see the rainbow coming from your heart and it's all ok so

Em C
Come now, see you're my angel, so say bye to the past, hello to tomorrow

[Ponte]

G Em
Oh, you can't love me unless you love you too

G
Treat yourself like nothin' but a fool

Em C
Can't love me unless you love you too, love you too

[Refrão]

G
Come now set the past on fire, stand up raise your face to the

Em
sky, my love

C
Together, we can take it higher, oh, together, we can take it higher

G
Come now set the past on fire, stand up raise your face to the

Em
sky, my love

C
Together, we can take it higher, oh, together, we can take it higher

G
I want love, I want to give it, I want love, please deliver it

Em
I want love, I want to give it, I want love, please deliver it
