

Sienna Spiro - Pure

tom: **D** [Intro]

D Bm Gbm G

D Used to do it all so pure for the love of **Bm**

The song no more **Gbm**

Now I think about an applause when **G**

I open my mouth **D**

I've abandoned my emotions **Bm**

I've isolated myself **Gbm**

When I see my mother in pain **G**

Wish I could feel what she felt **D**

And I don't know what this all means **Bm Gbm**

What this all means? It don't feel like me **G D**

And sometimes, I get insecure **Bm**

So I wear a dress on the town **Gbm**

Hope a man notices me, I don't know **G**

It makes me proud **D**

I get jealous and I see myself **Bm**

In my sister's eyes **Gbm**

At least she can have a good time **G**

At least she can calm down **D**

And I don't know what this all means **A Bm Gbm**

What this all means? It don't feel **G**

Like me **D**

And you won't give me the deal **A Bm Gbm**

I wish I was real, I wish I was **G Gbm**

Em I think about it all the time **A**

D What I've been doing with my life **A Bm**

Em 'Cause when it calls me back again **A**

D I hope it meant something **A Bm**

Em I hope it meant something **A**

D I've been losing all my friends **Bm**

Stepping up onto the ledge **Gbm**

Thinking I can be an angel **G**

But keep falling instead **D**

Find it hard to stay connected **Bm**

When I wanna feel protected **Gbm**

So hold me, won't you? **G**

Just hold me 'cause **Gbm**

Em I think about it all the time **A**

D What I've been doing with my life **A Bm**

Em 'Cause when it calls me back again **A**

D I hope it meant something, oh **A Bm**

Em I think about it all the time, no **A**

D What I've been doing with my life **A Bm**

Em 'Cause when it calls me back again **A**

D I hope it meant something **A Bm**

Em I hope I meant something **Gm**

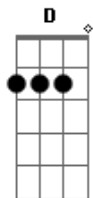

D I don't know the meaning of **Bm**

Anything in this song **Gbm**

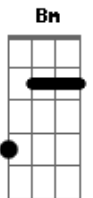

Just wanna feel special **G**

I just wanna feel
