

# Sienna Spiro - You Stole The Show

tom:  
 You stole the show, got a standing ovation  
 I lost control, from the stage, from your face and  
 You don't say hello, I can't wait, I'm impatient  
 Yeah, you stole my show, so I chase you to the pavement

Wrap me in your arms again  
 The adrenaline makes me shiver  
 Show me that you're genuine, that I'm safe again  
 That you came in different  
 No time to define, but before we get closer  
 I ask if you love me, and you just shrug your shoulders

You stole the show  
 Now the crowd's coming through, I just sink into you  
 Just blowin' smoke  
 'Cause this moment will end, I'll be back at the scene

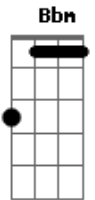

You left cold, my love turns green, I know you  
 Made me hate myself, mm-mm-mm  
 You stole it all, so I wait just to save this

Wrap me in your arms again  
 The adrenaline makes me shiver  
 Wrap me in your arms again  
 The adrenaline makes me shiver  
 Show me that you're genuine, that I'm safe again  
 That you came in different  
 No time to define, but before we get closer  
 I ask if you love me, and you just shrug your shoulders  
 Wrap me in your arms again  
 The adrenaline makes me shiver  
 Show me that you're genuine, that I'm safe again  
 That you came in different  
 No time to define, but before we get closer  
 I ask if you love me, and you just shrug your shoulders
